

Mobilestage

Colourful, lightweight and eye-catching, the Mobilestage is ideal for smaller events. It can be erected quickly and easily thanks to a simple sturdy design which is suitable for all types of weather.

Whether you're planning to host a prize giving at a school sport's day, a charity event or entertaining family and friends on a special occasion, our intimate Mobilestage packages will create a great impression on any audience.

You'll be amazed how quickly the Mobilestage vehicle is transformed into a stage with a canopy and a sound system ready to go in around an hour. Small but perfectly formed, the Mobilestage is big enough to entertain a crowd whilst fitting neatly into gardens, playgrounds, playing fields or the public venue of your choice. As a little sister to the Mainstage, you'll find we offer a lower affordable price for the more intimate Mobilestage without cutting any corners, the main difference is the price and size!

Outdoor Stages' Mobilestage can be used for all manner of events, giving performers and hosts a great platform to be noticed. Some of our popular events have included school concerts, garden parties and prize givings.

From small children to adults and senior citizens, we are able to operate safely to deliver the best possible results for your outdoor event. We pride ourselves on helping clients put on a memorable event that will be talked about for years to come.

Clients who come to Outdoor Stages often use our service again and again thanks to our personal touch, reliability and experience. Take the first step and contact us now, we promise you won't be disappointed!

Mobilestage Base

Extremely flexible, quickly assembled and cost effective, our Mobilestage Base is the perfect solution for the most intimate outdoor event.

Our Mobilestage Base is increasingly popular due to the simplicity of the stage design, meaning a small stage can be assembled in the minimum amount of time. No fuss, no hassle, no stress.

Whether you're announcing winners of a charity raffle or staging a mini talent show, this adaptable stage solution provides you with a cost effective solution to a number of outdoor events.

The Mobilestage Base can be erected in around 30 minutes and is the cheapest and quickest solution for the most impromptu outdoor activity, and a fabulous choice for last minute announcements and presentations.

This combined vehicle and stage can be easily transported to the location of your choice without the involvement of extra vehicles or equipment. As long as there's space to park, it can be assembled and packed away rapidly, meaning you can be as mobile as you require on the day.

Safe, secure and ideal for the smaller budget, our Mobilestage Base is supported by a small professional crew who can always be relied on. It may be the smallest, most budget friendly outdoor solution we offer but we still provide a first class solution which won't let you down.

Contact Outdoor Stages now to discover everything you need to know about this unrivalled outdoor solution.

Mainstage

The Mainstage is the ultimate 'One Stop Shop' offering a big stage, huge generator and great sound system in one breathtaking package.

Technically excellent and start of the art in every way, the Outdoor Stages Mainstage is the leader in its field. Offering you a unique 'One Stop Shop' of a fantastic stage & canopy, huge onboard generator and professional sound system. Spanning 60m² the Mainstage gives you a quality hassle free design, as well as all the perks you'd expect from a high profile stage management organisation.

Put on the show you've always dreamed about, let an aspiring band shine, or entertain the socks of an audience with a theatrical drama, all for a reasonable cost. Business conferences, Battle of the Bands and promotional launches are just some of the events which have been successfully carried out with the Outdoor Stages Mainstage.

Your festival, show or concert will look and sound fabulous on our optimum staging area and state of the art sound system. Any technical problems will be ironed out by our professionally trained technicians and crew.

Relax and let us take care of the hard work while we show you why we are the leaders in outdoor stage solutions. Artists and organisers have enough to worry about without having to deal with technicalities, so get the most out of your performers by giving them a space to relax in their own onboard air conditioned dressing room. We have the capacity and expertise to deal with a number of performers on and off stage and can help make sure the show runs smoothly and professionally. If a dressing room is unnecessary use the space as an onsite production office, keeping you closer to the action and the excitement of the live event.

In terms of transport, we're flexible and available to take you and your show to the location of your choice.

Don't settle for second best! When it comes to your event you want the safest design, simplest installation and a reliable team of technicians.
